

# Top Ten Reasons To Legalize Drugs

10. Drug prohibition causes the same problems that alcohol prohibition did
9. Addicts could seek treatment without worrying about going to prison
8. The War on Drugs wastes \$600 per second and doesn't make a dent
7. The addiction rate is the same today as when drugs were legal
6. Attempts to stop drugs have eroded everyone's rights
5. Drug dealers would go out of business when prices fell
4. No more gang "turf wars" when prices fell
3. No drug dealers means no more pushers on playgrounds
2. Police could concentrate on stopping real crimes – the kind with victims

1. This is a free country:

You should be allowed to harm yourself!
